Amy’s time away has changed her and everyone else back home. And as the family struggles through secrets, rivalries and misunderstandings, Amy and Ty must find solid ground in their relationship. By the end of the season they have persevered and grown as a couple, moving forward into their future.

This season of HEARTLAND continues the saga of the Western family as they chase big dreams and manage life’s setbacks, while holding on to what matters most: courage, love, family and a home you can always come back to.
